Thanks Aunt Jeana for all your kindness, generosity and support to me over the years, particularly when I was a student in St Andrews. It was always great going out for the day with you especially as the day would inevitably close with helpings of sticky toffee pudding. Hope you have a very happy birthday and many more of them.

Aunt Jeana has been my rock since Millar died. She has always told me to count my blessings and encouraged me in every way to do just that.

Aunt Jeana pops in to see us when she is passing the farm. It's always a pleasure to see her, to catch up on her news and she is always so interested in what we are up to. Three cheers to Aunt Jeana on her 90th birthday and much love from all the family at Lower Luthrie.

Aunt Jeana is young at heart. I can hardly believe she is 90 now. Have a lovely and blessed 90th birthday.
