

## The Last Word

A is for Aunt - 1 of a kind

U - is for unusual, or is it her mind?

N - is for ninety, she cares not a jot, and

T - is for teetotal -she certainly is not

J -is for joyful, all of the time

E- is for everlasting, she gets better and better just like a good wine

A- is for Arbuckle - of that there is no doubt

N- is for Never at Home, she is always out

And

A is for Aunt - yours and mine, for all of us, she has done just fine.
